

# The Garden Club of Mountain Lakes

Cordially Invites You to a Prospective  
Members' Gathering

Wednesday, October 4th, 2023  
7 til 8:45pm  
4 Point View Place, Mountain Lakes

*Please join us for an informal discussion of  
our club's activities*

- ✿ The Garden Club of Mountain Lakes undertakes a diverse range of projects, including floral design workshops, tending of our community gardens in Mountain Lakes, leading the Junior Nature Club at Wildwood School, conducting a Garden Therapy program for seniors, staging juried flower and photography shows, hosting an annual spring plant sale, and advancing awareness of environmental concerns.
- ✿ Whether you are a novice gardener, floral designer, horticulturist, or environmentalist or an experienced enthusiast in any of these areas, we would like to share with you our common interest in floral design, gardens, plants, and the natural world.
- ✿ Garden Club meets monthly throughout the year and offers a variety of programs and many opportunities for members to explore their gardening and floral design interests.

If you would like to attend, please visit our website  
to **RSVP** and/or learn more: [mlgclub.net](http://mlgclub.net)
